

Applying for **Federal, State or Local** Benefits?

Get a **Clear Picture** of Your Immigration Check

Benefit granting agencies use the Systematic Alien Verification for Entitlements (SAVE) Program to verify your immigration status. If your status is not immediately confirmed, SAVE Case Check can help you track the progress of your verification request online. It's fast, easy — and free!

Follow the progress of your
verification case online at:

www.uscis.gov/SAVE/CaseCheck

**U.S. Citizenship
and Immigration
Services**

Case Check is a service of the Systematic Alien Verification for Entitlements (SAVE) Program. The SAVE Program and its Case Check service do not provide determinations regarding an applicant's eligibility for a specific benefit or license. Only the benefit granting agency can make that determination.
